Assessor Parcel History Research Request

This form is used to request the Assessor's office to research the history of an Assessor's Parcel Number. Findings will include the prior assessor numbers and any known splits, boundary adjustments or merges that the parcel has undergone (including those requested by the property owner).

The information reported is provided to the best of our knowledge. We make no guarantees to the history of parcels prior to available records retained by our office.

A separate request form must be submitted for each parcel. There is a non-refundable research fee of \$45 for each parcel research request.
